

PUBLIC HEARING
CHAMBERS COUNTY COMMISSION
Chambers County 10 Year Solid Waste Plan

The Chambers County Commission held a public hearing on Monday, September 15, 2014 at 3:30 p.m. CST concerning Chambers County's 10 Year Solid Waste Plan. The following commissioners were in attendance: Chairman Henry Osborne, Commissioners Charlie Williams, James Brown, Joe Blanks, David Eastridge and Debbie Wood. Attorney McCoy and County Manager Dendy and Mr. Dale Story of Engineering Associates were also in attendance.

Commission Chairman Henry Osborne brought the hearing to order, he then turns it over to Attorney McCoy. Attorney McCoy states that before the Commission is the Solid Waste Plan that has been prepared and worked up through our engineering firm. The Public Hearing has been properly published in the Valley Times prior to the hearing. Mr. Dale Story from Engineering Services Associates is in attendance to field any questions anyone may have and to give an over view of the plan. The plan has been in the County Administrators office. Attorney McCoy asked if there had been any inquiries with regards to the plan. Mr. Dendy stated that there had not been any.

Mr. Story gave an over view of the plan and asked if there were any questions. Attorney McCoy stated that for the record a letter was sent to the Cities and Townships in regards to the plan and the only response was from the City of Valley that has opted to make their own plan. Mr. Story opened the floor up for any comments or questions from the Commission and the public. There were no questions or comments from the public.

The public hearing was adjourned.
